## *The Face of Care*

## *The Face of Care* for more than 110 years

When your patients need IV therapy, you want to be sure they will receive expert care by IV specialists.

The VNA provides:

- A team of qualified IV trained nurses to educate and care for our patients
- Pharmacists specifically concerned with the needs of the home infusion patient
- Dietitians collaborating to make sure each patient's nutritional needs are met
- Reimbursement specialists in home infusion therapy

Our IV therapy program includes:

- Total Parenteral Nutrition (TPN)
- Parenteral Antibiotics/Antifungals
- Chemotherapy
- Pain Management
- Enteral Nutrition
- Hydration Therapy
- Inotropic Drugs
- IVIG
- Other drugs that may be safely administered in the home

## What differentiates the VNA from other home infusion companies?

Our nonprofit organization can provide services to your patients before, during and after the need for home infusion.

The local VNA has on-site resources to also provide:

- Physical Therapy
- Occupational Therapy
- Speech Therapy
- Hospice
- Home Health Aide Services
- Certified Wound/Ostomy Nurses

The VNA is accredited by The Joint Commission, which demonstrates our commitment to providing high-quality care to our patients. The VNA is also a certified Medicare provider.
